LETTER FROM THE ISSUER

**WISDOMTREE MULTI ASSET ISSUER PUBLIC
LIMITED COMPANY**

To all Holders of Affected Securities

Dear ETP Securityholder

**Proposal for the amendment of the Principal Amount of the Affected Securities
and Meeting of the Holders of the Affected Securities**

This letter sets out the reasons for and further details of the Proposal and the Meeting.

Introduction

The Price per ETP Security of the Affected Securities has fallen towards (but not below) its Principal Amount of USD 2.

The Price per ETP Security of the Affected Securities fell below 500 per cent. of its Principal Amount of USD 2 (the “**Threshold**”) on 3 April 2020 (the “**Threshold Event Date**”). Under Condition 8.6 of the Affected Securities, in such circumstances the Issuer must give notice convening a meeting of holders of the Affected Securities on a date not more than 30 calendar days after the Threshold Event Date for the purpose of considering an Extraordinary Resolution which would have the effect of reducing the Principal Amount of the Affected Securities to an amount which is not less than 2 per cent. of the Price per ETP Security as at the time of suspension of redemptions, in which event the suspension will cease only if such Extraordinary Resolution is passed.

Condition 8.8 provides that, if on any Valuation Date falling on or after the 60th calendar day following the Threshold Event Date the Price per ETP Security of the Affected Securities is less than 200 per cent. of their Principal Amount, a Compulsory Redemption Event shall have occurred.

In order to maintain the normal trading and operations of the Affected Securities and to avoid a Compulsory Redemption Event being triggered, the Issuer considers that the Principal Amount of the Affected Securities should be reduced and the Issuer is convening a meeting of the holders of the Affected Securities for the purposes of seeking approval from the holders of the Affected Securities to reduce the Principal Amount of the Affected Securities. Such reduction will not affect the Price per ETP of the Affected Securities.

This letter includes the notice convening the Meeting.

The Proposals

It is proposed, with your consent, to reduce the Principal Amount of the Affected Securities. This change will not affect the Price per ETP Security of the Affected Securities and should have no effect on their market price on any of the stock exchanges on which they are listed or traded.

Pricing and Redemption of the Affected Securities

The Price per ETP Security of the Affected Securities is determined in accordance with the Conditions and depends on the closing level of the Index and is not related to the Principal Amount. Changing the Principal Amount will not therefore affect the Price per ETP Security of the Affected Securities.

The terms of the Affected Securities provide that, on redemption, an ETP Securityholder is entitled to receive the greater of (i) each ETP Security's pro rata portion of the amount(s) payable by the Swap Provider(s) to the Issuer pursuant to the applicable Swap Transactions and (ii) the Principal Amount of the Affected Securities. The Affected Securities are however limited recourse securities, each having recourse only to a proportion of the proceeds of realisation of the assets comprising the relevant Swap Provider Collateral Pool.

Holders of Affected Securities who are not themselves Authorised Participants are only entitled to require redemption of their Affected Securities if permitted and notified in writing by the Issuer as provided in the Prospectus. Since this is not the case as of the date of the Proposals, and holders of Affected Securities can continue to trade the Affected Securities on the London Stock Exchange or any other of the stock exchanges on which they are listed or traded, the Affected Securities should continue to trade at or around their Price per ETP. Accordingly, the reduction of the Principal Amount of the Affected Securities will not in practice affect your rights on Optional Redemption or sale.

Further information

Set out in Part II of this document is some background information on the terms of the Affected Securities and further details of the purpose and effect of the Extraordinary Resolution to be proposed at the Meeting.

Action to be taken

For the Proposal to become effective in respect of the Affected Securities, it must be sanctioned by an Extraordinary Resolution of the holders of the Affected Securities. In accordance with Schedule 7 of the Master Trust Deed, the ETP Securityholders have the power to sanction any proposal by the Issuer or the Trustee for any modification, abrogation, variation or compromise of, or arrangement in respect of, the rights of the ETP Securityholders against the Issuer, whether or not those rights arise under the relevant Trust Deed or any Collateral Pool Security Deed. The Proposal varies such rights.

The quorum at any meeting for passing an Extraordinary Resolution to reduce or cancel the Principal Amount payable on redemption of the Affected Securities is two or more ETP Securityholders or agents present in person holding or representing in the aggregate not less than 75 per cent. of the number of Affected Securities for the time being outstanding, or at any adjourned meeting convened for the purpose of reducing the Principal Amount of the ETP Securities following a Threshold Event Date, the quorum shall be two or more ETP Securityholders or agents whatever the number of ETP Securities so held or represented. Extraordinary Resolutions are passed by a majority of at least 75 per cent. of the votes cast at a duly convened meeting.

If a quorum is not present at the Meeting it will be adjourned until such date, not less than 14 nor more than 42 calendar days later (or, in the case of a meeting called to consider the reduction of the Principal Amount of the ETP Securities following a Threshold Redemption Event only, not more than 30 calendar days), and time and place as the chairman may decide (the "**adjourned meeting**").

Enclosed with this circular is a form of proxy for use at the Meeting. In order to vote you are urged to complete the form of proxy and return it as soon as possible, and in any event so as to be received no later than 11.00 a.m. (the "**Applicable Time**") on Thursday 30 April 2020 in accordance with the instructions set

out in the form. Completing and returning a form of proxy will not preclude you from attending the Meeting and voting in person if you wish to do so.

In light of the current social distancing measures associated with the spread of Covid-19, it is strongly recommended that holders of Affected Securities vote by proxy and should not attend the Meeting in person.

Implementation of the Proposal

The proposed amendments to the Trust Deed to effect the Proposal in relation to the Affected Securities will take effect, assuming that the Extraordinary Resolution is passed at the Meeting (or any adjournment thereof), as set out in the expected timetable.

Trustee

In accordance with its normal practice, The Law Debenture Trust Corporation p.l.c., as trustee, expresses no opinion as to the merits of the Proposal, the terms of which were not negotiated by it. It has however authorised it to be stated that, on the basis of the information contained in this document (which it advises holders of Affected Securities to read carefully), it has no objection to the form in which the Proposal and Notice of the Meeting are presented to holders of Affected Securities for their consideration.

Recommendation

The Issuer considers the passing of the Extraordinary Resolution to be in the best interests of the holders of Affected Securities as a whole and therefore recommends that such holders of Affected Securities vote in favour of the Extraordinary Resolution.

Yours sincerely

Stuart Gallagher

Director

for and on behalf of

WisdomTree Multi Asset Issuer Public Limited Company

PART II GENERAL INFORMATION

1. Terms of the ETP Securities

The Trust Deed constituting the Affected Securities was entered into on 20 December 2012.

The Affected Securities have the Principal Amount as set out in section 2 “*Purpose and effect of the Extraordinary Resolution*”, below.

The Affected Securities carry the right on redemption (whether on Final Redemption, Compulsory Redemption or Optional Redemption) to payment of at least their Principal Amount.

Under Condition 6.7, ETP Securityholders of any Class of ETP Securities will have recourse only to sums derived from the Class Secured Property and the Collateral Pool Secured Property in respect of such ETP Securities.

If, following realisation in full of the Class Secured Property and the Collateral Pool Secured Property and application of available cash sums, any outstanding claim against the Issuer remains unpaid, then such outstanding claim is extinguished and no debt is owed by the Issuer in that respect.

The Price per ETP Security of the Affected Securities fell below the Threshold on the Threshold Event Date. Under Condition 8.6 of the Affected Securities, in such circumstances the Issuer must give notice convening a meeting of holders of the Affected Securities on a date not more than 30 calendar days after the Threshold Event Date for the purpose of considering an Extraordinary Resolution which would have the effect of reducing the Principal Amount of the Affected Securities to an amount which is not less than 2 per cent. of the Price per ETP Security as at the time of suspension of redemptions (if relevant), in which event the suspension will cease only if such Extraordinary Resolution is passed.

Under Condition 8.8, if on any Valuation Date falling on or after the 60th calendar day following the Threshold Event Date the Price per ETP Security of the Affected Securities is less than 200 per cent. of their Principal Amount, a Compulsory Redemption Event shall have occurred.

2. Purpose and effect of the Extraordinary Resolution

If the Extraordinary Resolution is passed, the Principal Amount of each of the Affected Securities will be reduced as set out in the table below:

<i>Class of Affected Securities</i>	<i>Current Principal Amount</i>	<i>Proposed Principal Amount</i>
WisdomTree WTI Crude Oil 3x Daily Short Securities	USD 2	USD 0.2

If the Extraordinary Resolution is passed, the Issuer, the Manager and the Trustee will effect the reduction in the Principal Amount of the Affected Securities by executing a Deed of Amendment.

3. Consent

In accordance with its normal practice, The Law Debenture Trust Corporation p.l.c., as trustee, expresses no opinion as to the merits of the Proposal, the terms of which were not negotiated by it. It has however authorised it to be stated that, on the basis of the information contained in this document (which it advises holders of Affected Securities to read carefully), it has no objection to the form in which the Proposal and Notice of the Meeting are presented to holders of Affected Securities for their consideration.

4. Documents available for inspection

Copies of the following documents will be available for inspection during normal business hours on any weekday (Saturdays, Sundays and public holidays excepted) at the registered office of the Issuer and at the offices of the Trustee from the date of this document up to and including the date of the Meeting (and any adjournment thereof) and at and during the Meeting (and any adjournment thereof):

- (a) the Trust Deed;
- (b) the Prospectus;
- (c) the written consent of the Trustee referred to in paragraph 3 above; and
- (d) a draft (subject to modification) of the Deed of Amendment to give effect to the Proposals.
