The Issuer further announces that it has entered into a twenty-seventh supplemental trust instrument dated 29 March 2023 with the Trustee under which:

- it is creating and will make available for issue its WisdomTree California Carbon Individual Securities (the Individual Commodity Index relating to such securities being the Solactive California Carbon Rolling Futures ER Index);
- the Conditions are being amended; and
- the Programme Limits for the existing Micro and Commodity Securities provided for in the Trust Instrument are increased.

The main changes from the Conditions as in effect immediately prior to the amendment coming into effect are to make provision for the WisdomTree California Carbon Individual Securities and to change the structure of the defined terms for the various types of Micro and Commodity Securities in the Conditions so that, for example, the WisdomTree Carbon Individual Securities fall under the definition of “Classic Commodity Securities”. This change has no substantive effect on the rights of the WisdomTree Carbon Individual Securities or the Micro or Commodity Securities of any other type.

Further details of the WisdomTree California Carbon Individual Securities and the full text of the Conditions as amended are set out in the Prospectus which is being published today.

The changes made by the twenty-seventh supplemental trust instrument become effective on the date of this notice.

Terms used in this announcement and not otherwise defined bear the meanings given in the Prospectus.
