INSPECTORATE

Inspectorate Reference: 15008814M

Date: 16th February 2016

Description of Activity Over the course of the inspection, we performed procedures including but not limited to:

1. Compared the records of the Custodian to the records provided by the Administrator to verify that the silver bars are held in the name of the applicable account;
2. Reconciled the total weight of silver bullion as recorded by the Administrator to the records of the Custodian as at the Audit Reference Date;
3. Visually checked one bar from each pallet for the bar number, brand and purity;
4. Reconciled the physical movement of bars which occurred during the inspection period between 14 Jan 2016 and 16 Feb 2016

Anomalies No anomalies were identified in respect of the silver bars as at 31 Dec 2015.

The audit was carried out to the best of our knowledge and this report reflects our findings as at the time and place of the audit only.
