Description of Activity	<p>Over the course of the inspection, we performed procedures including but not limited to:</p> <ol style="list-style-type: none">1. Compared the records of the Custodian to the records provided by the Administrator to verify that the silver bars are held in the name of the applicable account;2. Reconciled the total weight of silver bullion as recorded by the Administrator to the records of the Custodian as at the Audit Reference Date;3. Visually checked one bar from each pallet for the bar number, brand and purity;4. Reconciled the physical movement of bars which occurred during the inspection period between 2 September 2020 and 21 September 2020.
Anomalies	<p>No anomalies were identified in respect of the silver bars as at 21 September 2020.</p>

The audit was carried out to the best of our knowledge and this report reflects our findings as at the time and place of the audit only.
