Introduction to our energy transition partner Wood Mackenzie

WisdomTree has partnered with Wood Mackenzie, an expert in the energy transition space, to offer innovative solutions across thematic equities and commodities.

A glimpse at Wood Mackenzie

Wood Mackenzie published its first report on oil markets in 1973. Over the subsequent five decades, it has emerged as a global leader in research and consultancy in the energy sector.

35 offices

200 employees

500 researchers

150 specialised consultants

80 countries

Areas of expertise

Wood Mackenzie's comprehensive expertise extends across various domains: These competencies make Wood Mackenzie the ideal partner for all things related to the energy transition.

Energy

Chemicals

Metals and mining

Power and renewables

In recent years, Wood Mackenzie's acquisitions of MAKE Consulting, Green Tech Media and Genscape have bolstered an already bankable power and renewables practice. They operate at the nexus of current energy industry tailwinds, offering clients leading energy data and analytics with the bold purpose of transforming the way the planet is powered. Wood Mackenzie is a portfolio company of Veritas Capital, a leading investor at the intersection of technology and government.

WisdomTree's partnership with Wood Mackenzie

Our partnership allows us to integrate Wood Mackenzie's specialist industry expertise into exchange-traded products across equities and commodities. This includes:

Identifying

the most exciting trends and innovations in the energy transition space.

Building

representative exposures to the trends by taking a holistic view of the relevant value chains.

Taking a data-driven approach

to assess the exposure and growth prospects of the key players.
